Website Audit & Improvement Checklist

Prepared by: Md. Imran Hossain and Tasnia Anwar
Date: 18-Jan-2026

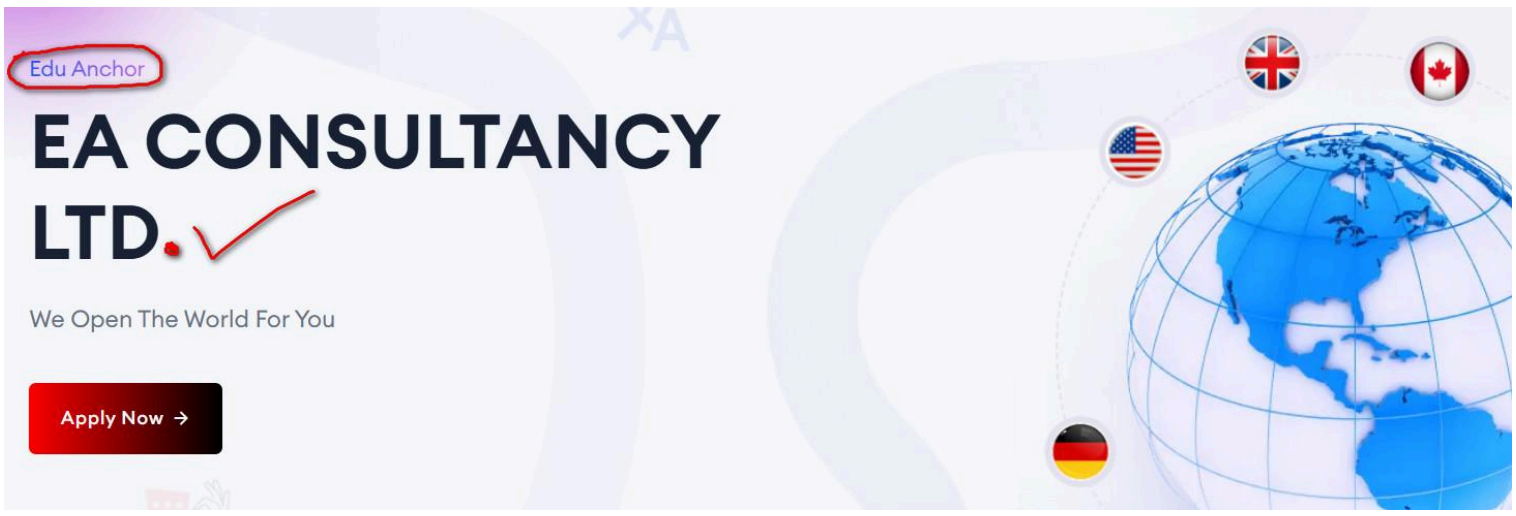
Header Top

1. The branch list and phone numbers on the left side are incomplete. The Feni branch is missing, and the Dhaka and Khulna branch phone numbers do not match the numbers currently used for marketing purposes.
2. On the right side, Instagram and TikTok social profile icons are missing.

Main Header

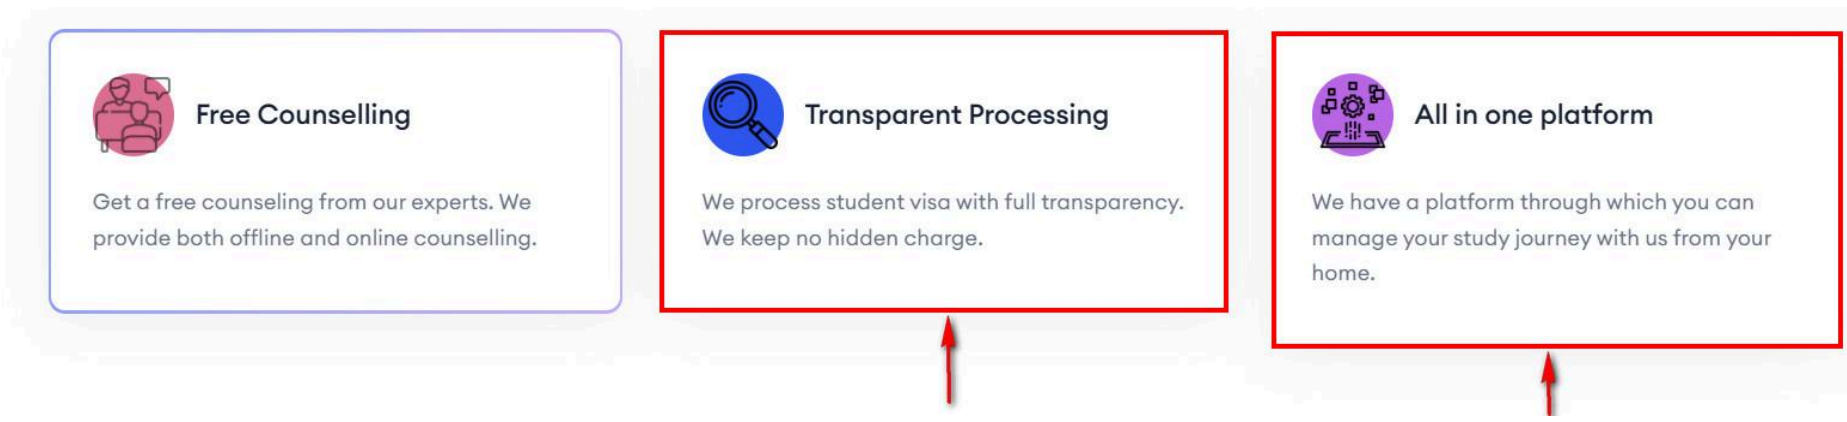
1. In the logo on the left side, there is **no full stop (.) after "LTD"**, which is grammatically incorrect.
2. On the right side, the **"Apply Now" (CTA) button text overlaps with the button border**, causing a UI issue.

Hero Section



1. In the text **"EA CONSULTANCY LTD"**, the **full stop (.) after "LTD" is missing**.
2. The text **"Edu Anchor"** appears in the header section, but its purpose is unclear. It is not understandable and not linked to any page.

Our Key Features Section

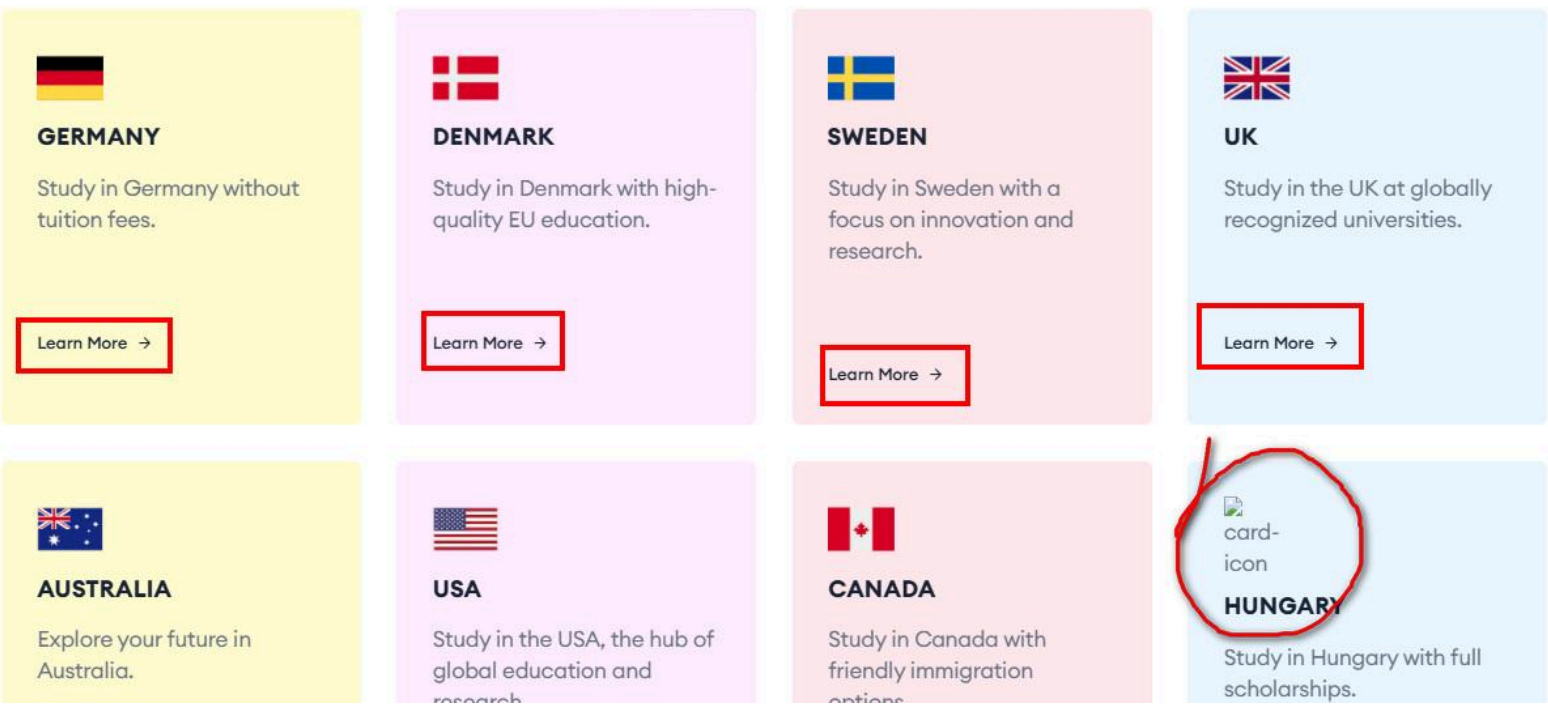


1. The **feature cards are not uniform in size**, which affects visual consistency.
2. Only **three feature titles** are displayed. It would be better to include **at least 4–6 feature titles**.
   Recommended feature titles:
   - Free Counselling
   - Transparent Processing
   - Right Country & University Selection
   - Strong Visa Support
   - IELTS-Optional Pathways
   - End-to-End Support

Countries We Work With Section

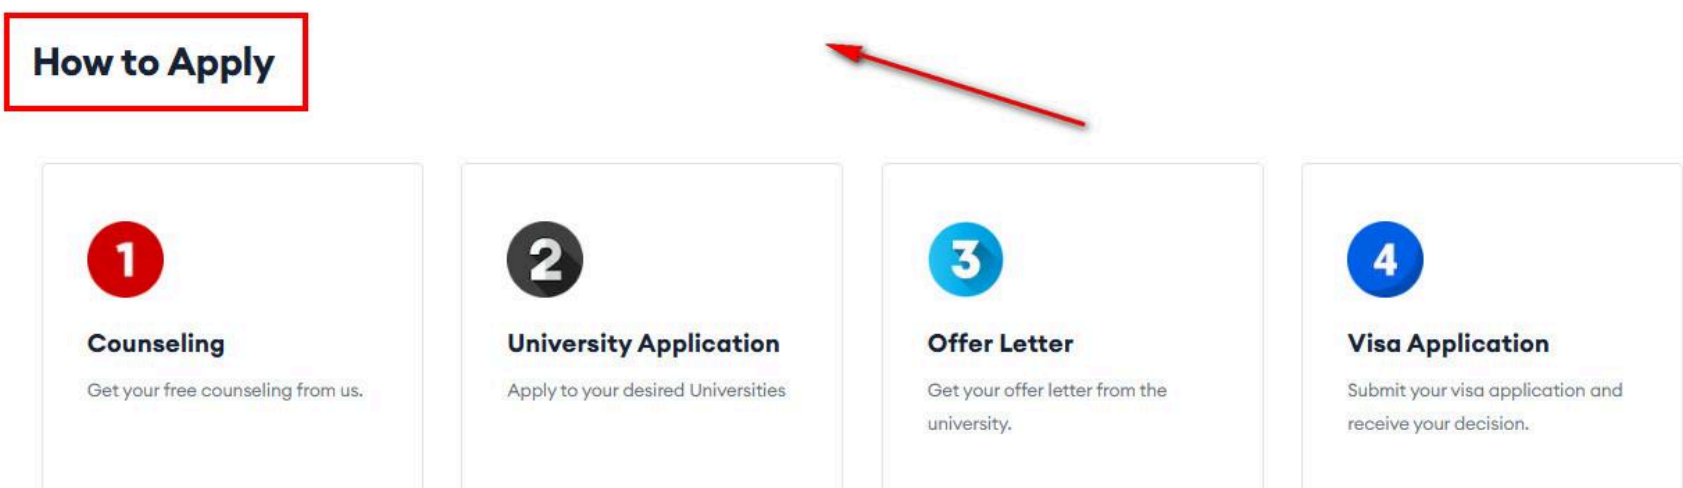
1. There is a spelling mistake in the word “Countries.”
2. Many countries that we actively work with are missing from the list. If displaying all countries is not possible, at least the following line should be added: “And many more destinations available.”
3. The country list should be arranged according to priority.
4. To strengthen the section hierarchy, it is recommended to add a small subheading below the main heading.

Requirements to Apply Section



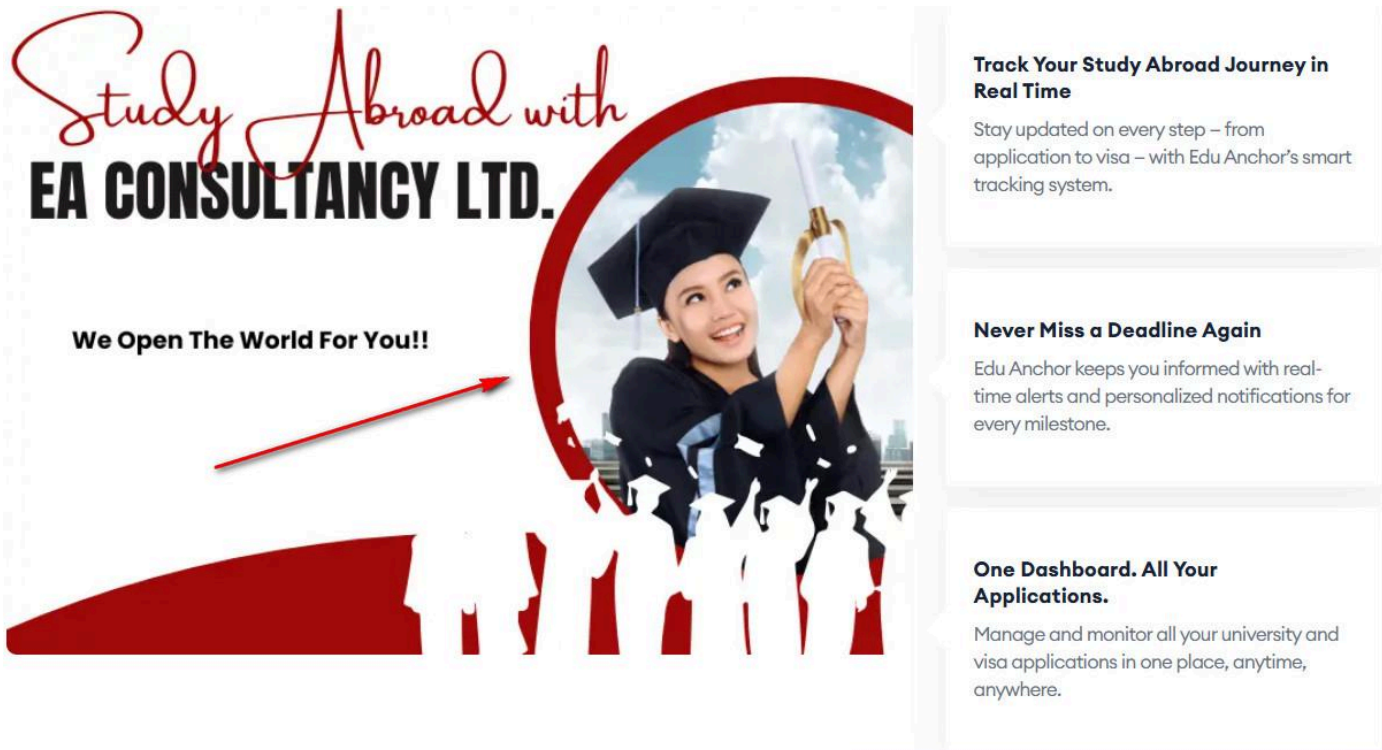
1. Although the country card sizes are acceptable, the “Learn More” button placement is incorrect.
2. The Hungary card logo is missing.
3. The country priority order is not correct.

How to Apply Section



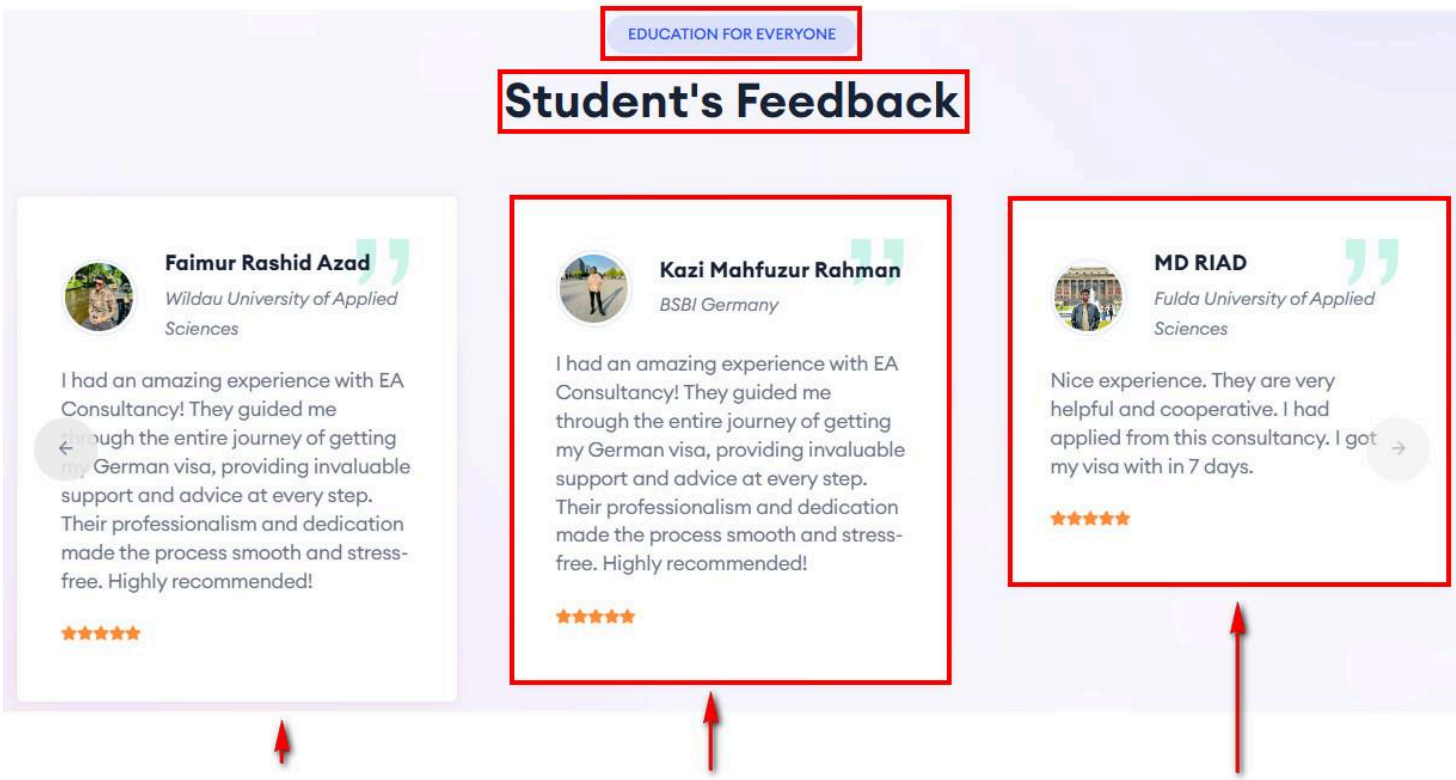
1. The section title **alignment is inconsistent** with the other sections on the page.
2. The **apply process** steps need to be **updated**.

Platform Overview Section



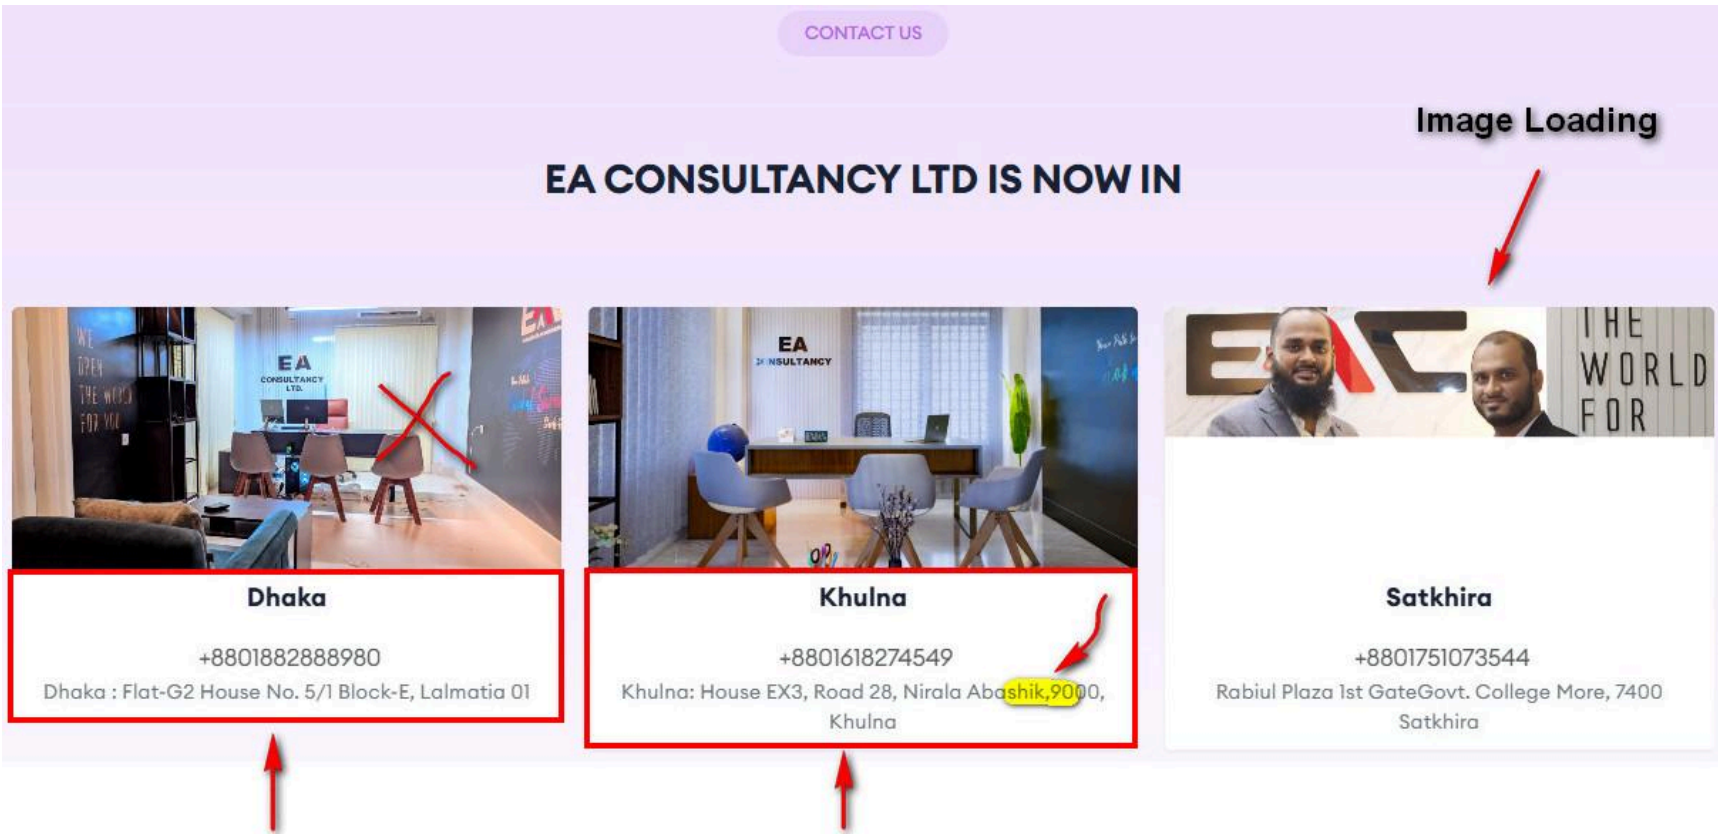
1. The image resolution is very low.

Student's Feedback Section



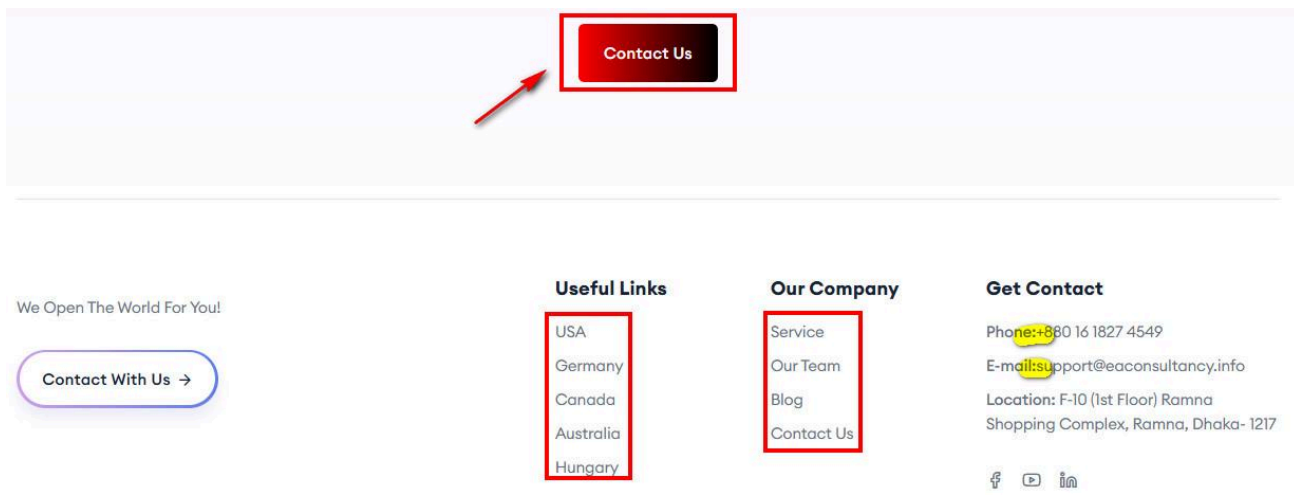
1. **Review Card Size Issue:** The student review cards in the **Student's Feedback** section do not have consistent sizes, affecting the section's alignment.

Contact Us Section (Part 01)



1. The **image card sizes** are **not consistent**, which affects the overall layout of the section.
2. The **Feni Branch** is **missing** from the branch list.
3. The **phone numbers** for the **Dhaka and Khulna** branches appear to be **incorrect**.
4. The **Dhaka branch location** appears to be **incorrect** or different from the actual location.
5. The **image** used for the **Dhaka branch** needs to be **updated**.
6. The **images** used in this section are **not optimized** in size, which may increase page load time.
7. There is a missing space in the text **"people.Don't"**; it should be **"people. Don't"**.

Contact Us Section (Part 02)

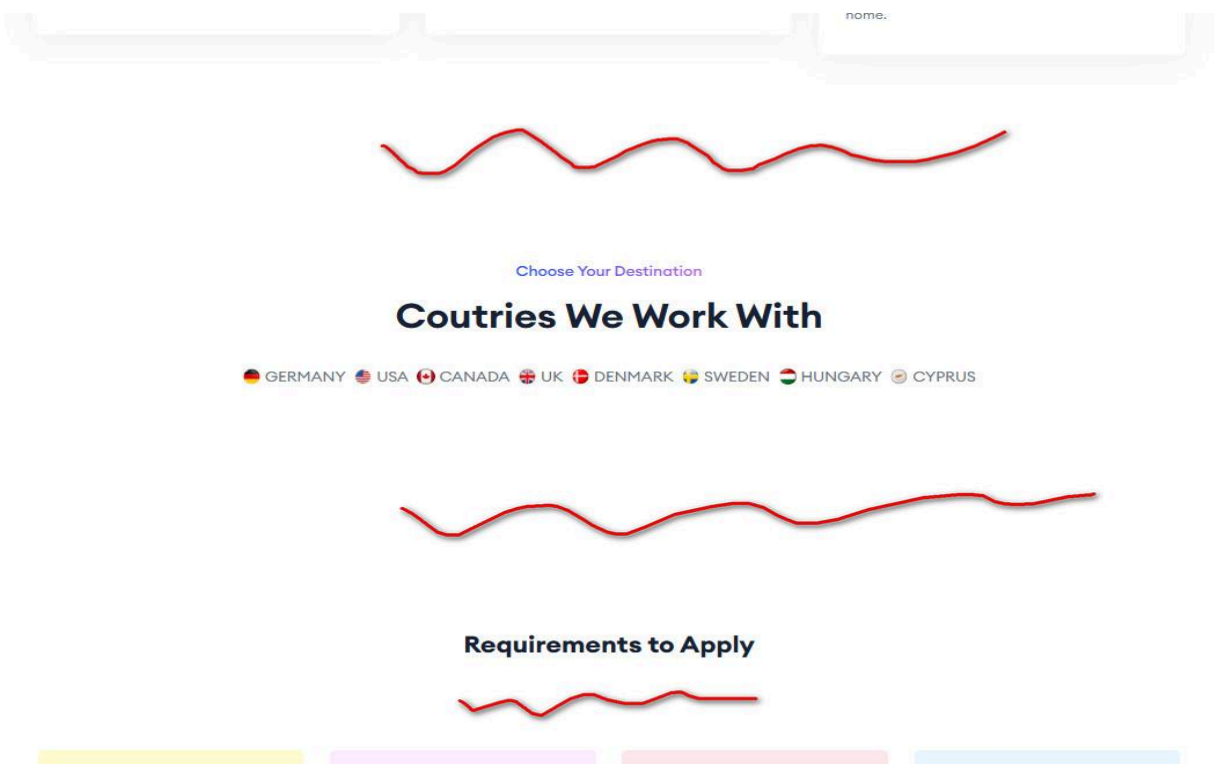


1. The **"Contact With Us"** button link is incomplete and does not properly lead to the intended page.
2. In the logo text, the full stop **(.)** after **"LTD"** is missing.
3. There is a missing space in the text **"people.Don't"**; it should be **"people. Don't"**.
4. The country pages and other links listed under **"Useful Links"** and **"Our Company"** are incomplete.
5. In the **Get Contact** section, a space should be added after the colon **(:)** in the phone and email information.
6. Social profile links for **Instagram** and **TikTok** are missing.
7. The **Contact Us** section appears twice within the same section. Having a single **Contact Us** section would be better.

Footer Section

1. In the footer, it would be better to use **"EA Consultancy Limited"** or **"EA Consultancy Ltd."** for naming consistency.
2. Since **Services, Our Team, Gallery, and Blog** are already available in the header menu, repeating them in the footer is unnecessary.

Section Spacing Issue



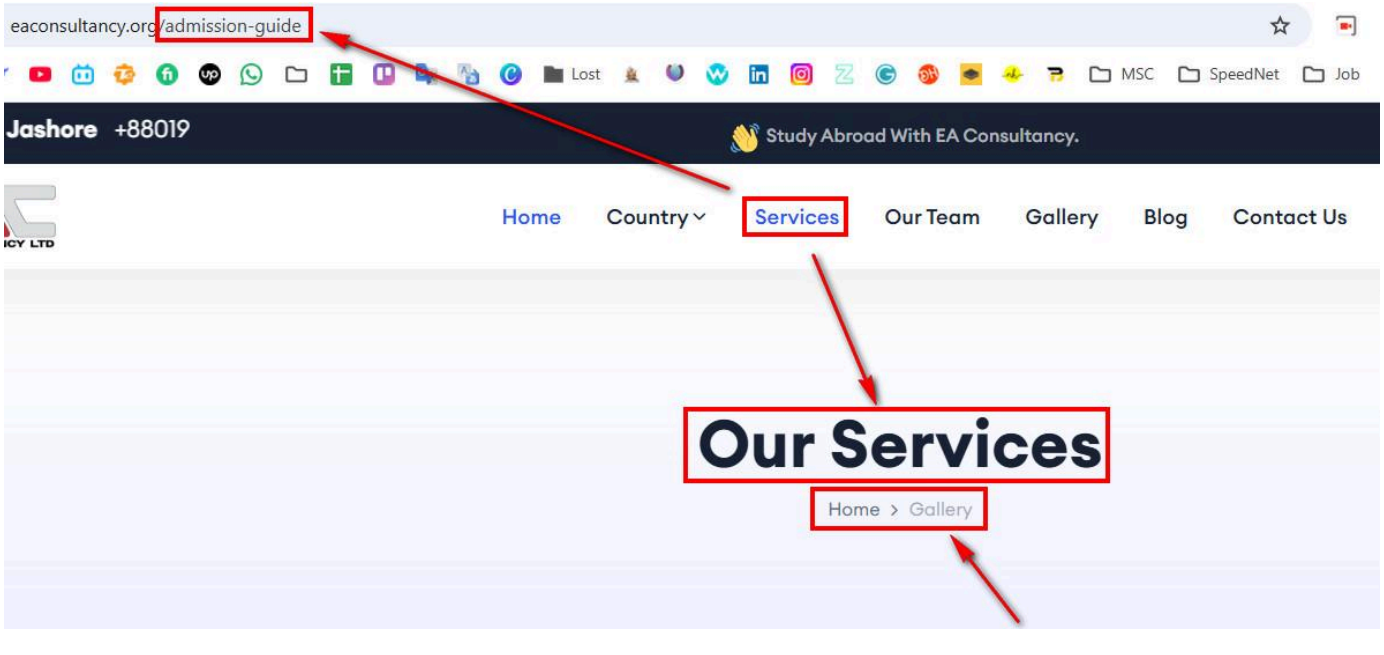
1. Excessive **empty space** has been used after each section, which affects the overall page layout.

Country Page

Intakes & Deadlines	- Fall (August/September): Major intake. Deadline: Dec – March - Spring (January): Fewer courses. Deadline: Aug – Oct - Summer (May): Limited courses. Deadline: Jan – Mar
Tuition Fees (per year)	- Undergraduate: $20,000 – $45,000 - Postgraduate (Master's): $25,000 – $50,000
Living Costs (annual estimate)	- $10,000 – $18,000 depending on location and lifestyle (includes housing, food, transport, insurance, etc.)
Language Requirements	- TOEFL iBT: 80–100 - IELTS: 6.5–7.5

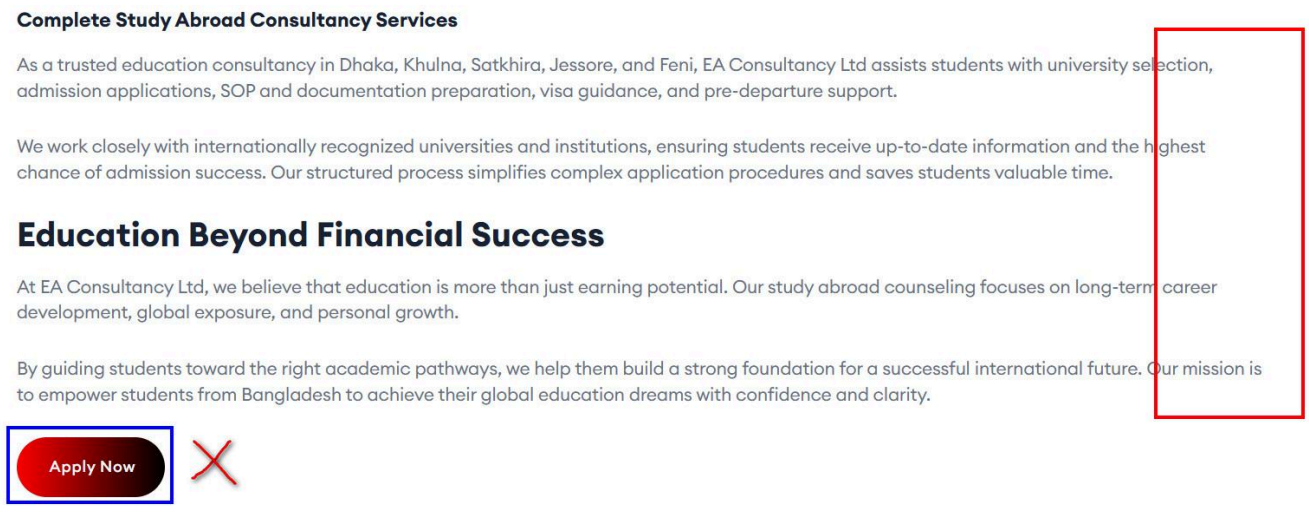
1. The section on the country pages is similar. Maybe it should be different according to each country.
2. The country list should be arranged according to priority.

Services Page



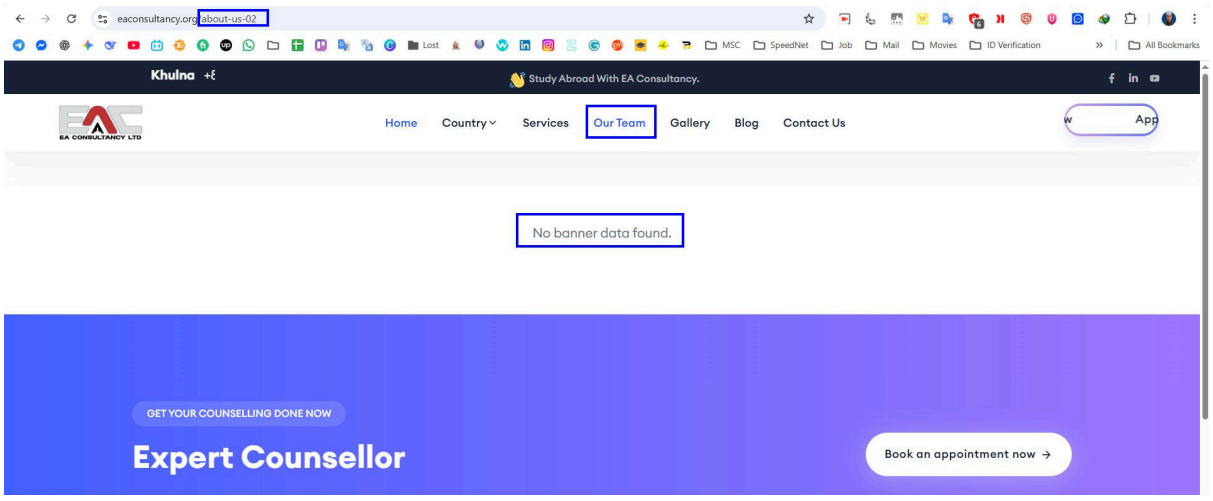
1. The **page link, category, title, and page path are different**. Except for the title, the other elements should remain consistent.

2. In the **Video** section, the video requires double clicking to play.



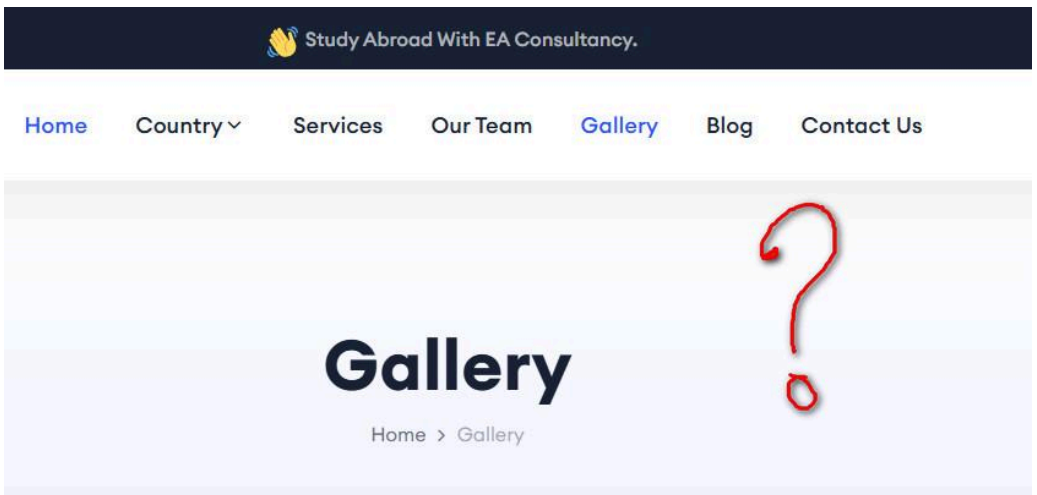
3. The **Apply Now** button is not working.
4. The page text is **left-aligned**; **justified alignment** would be better.

Our Team Page



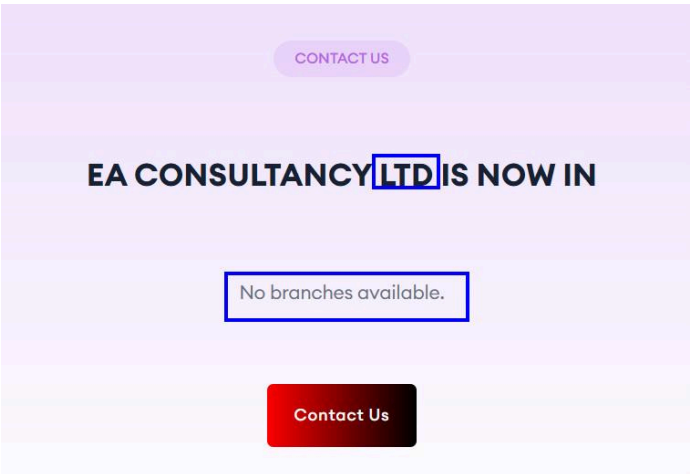
1. Our Team Page is not completed.

Gallery Page



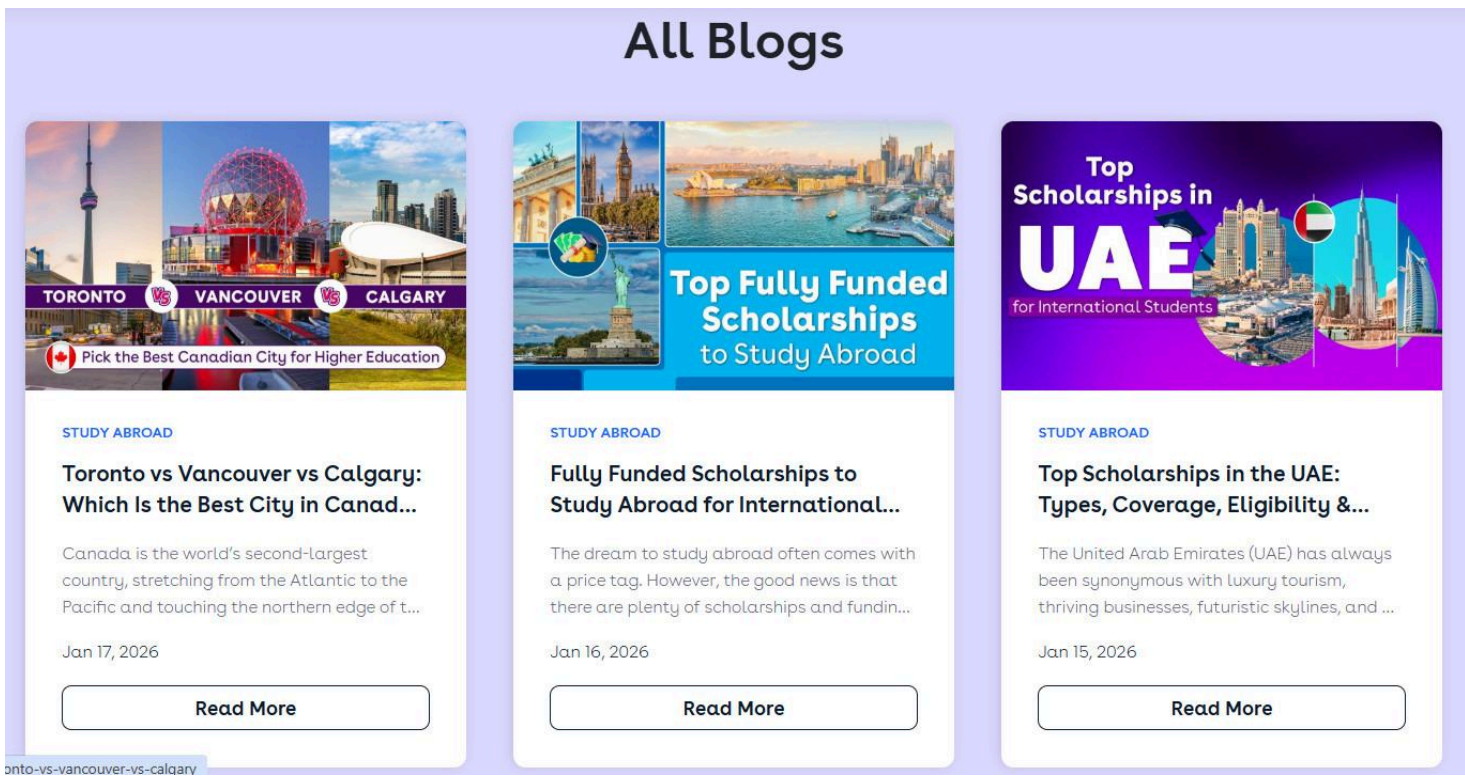
1. The gallery page is not completed.

Contact Us Page



1. The Contact Us page is not completed.

Blog Page



Note: The attached screenshot has been taken from another website and is shared only for reference.

1. The blog page is not completed.
2. The blog page should be designed in a card-based layout, similar to the example shown.
3. It would be better if each blog post had a separate individual link.
